## SUMMARY

---

**\*\*Summary:\*\***

Aspiring Full Stack Web Developer with a strong foundation in front-end technologies and a passion for continuous learning. Successfully completed several projects including a portfolio website, Netflix homepage clone, weather app, and calculator using HTML, CSS, and JavaScript. Currently expanding my skill set by learning database management and Java. Seeking an opportunity to apply my skills and contribute to innovative web development projects in a dynamic and growth-oriented environment.

## TECHNICAL SKILLS

---

**Languages:** C,Java,Python,SQL

**Libraries & Tools:** HTML, CSS, Javascript, Bootstrap ,git

**Frameworks:**React.js

## PROJECTS

---

### Portfolio website

Feb 2024

*Frontend webdevelopment Project*

*HTML, CSS, JavaScript ,Bootstrap*

- Designed and developed a responsive personal portfolio using HTML, CSS, and JavaScript.
- Featured interactive UI elements, a dynamic project gallery, and an optimized contact form.
- Enhanced skills in front-end development and responsive design.

### Netflix Homepage clone

March 2024

*Frontend webdevelopment Project*

*HTML, CSS, JavaScript ,Bootstrap*

- Replicated Netflix UI elements, ensuring proper layout and responsiveness across devices.
- Gained in-depth knowledge on display, position, selectors and flexbox topics.
- Utilized carousels to list out top movies.

### Weather App

March 2024

*Frontend webdevelopment Project*

*HTML, CSS, JavaScript ,Bootstrap*

- Strengthened my JavaScript skills by implementing functionalities like user interaction and data manipulation.
- Integrated an external weather API to fetch real-time weather data.

## EXPERIENCE

---

### WebDevelopment Intern

Feb 2024 – March 2024

*Bharat Intern*

*Bhopal, Madhya Pradesh*

- Completed a 1-month online virtual internship program focused on web development.
- Developed a portfolio website, a Netflix clone landing page, and a weather application using HTML, CSS, and JavaScript.
- Awarded a certificate of completion upon successful completion of assigned tasks.
